# ALOR Vendor Style Guide
for Jewelmate Point of Sale

ALOR has created their vendor style numbers in such a way that each variation of a particular design is accounted for, so there is no need to customize your numbers with metal colors, gemstones, sizes, or other information. Please see the attached style reference key for help in reading ALOR's style numbers.

The correct style number for ALOR is entered in the Vendor Model field: 04-52-1357-11

Examples of incorrectly entered style numbers include: 04-52-1357- 11-C, 04-52-1357-11 #43, 04-52-1357-11/06

ALOR does not use serial numbers.

* As of 12/15/2021: Jewelmate has a 150-character limit for entering vendor style numbers and a 30-character limit for serial numbers.
