

MK Diamonds Vendor Style Guide

for ARMS Point of Sale

MK Diamonds has created their vendor style numbers in such a way that each variation of a particular design is accounted for, so there is no need to customize your numbers with metal colors, gemstones, sizes, or other information. Please see the attached guide for reading Forevermark style numbers.

The correct style number for MK Diamonds is entered in the Design # field: CEC.50-W-6.5

Examples of incorrectly entered style numbers: CEC.50, CEC.50-W, CEC-50-W-6.5

ARMS advises their clients to enter MK Diamonds item numbers (serial numbers) numbers, either in the Old Sku# (Field 4) or Old Barcode (Field 5) field. It is advised to make this a required field.
