# David Weisz Vendor Style Guide
for ARMS Point of Sale

David Weisz has created their vendor style numbers in such a way that each variation of a particular design is accounted for, so there is no need to customize your numbers with metal colors, gemstones, sizes, or other information.

Ex: TSP- three stone pendant FSP- five stone pendant BET - bezel earring three piece BTP- bezel three stone pendant NEC- necklace RIN- ring. All these three leers are followed by a series of four random letters.

The correct style number for David Weisz is entered in the Design # field: RIN-1234

Examples of incorrectly entered style numbers: RN1234, RN/1234, RN-1234 14KW

ARMS advises their clients to enter David Weisz serial numbers, either in the Old Sku# (Field 4) or Old Barcode (Field 5) field. It is advised to make this a required field.

* As of 12/15/2021: ARMS has a 50-character limit for entering vendor style numbers and serial numbers.
