

Balance to Buy™ Pro Tip – Inventory Comparison

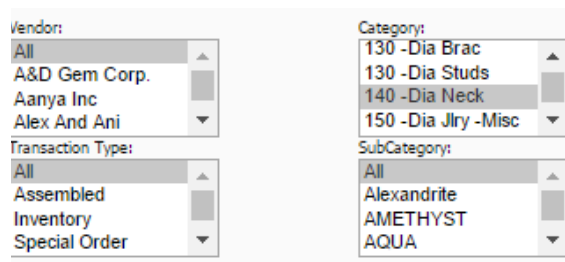

Objective: To analyze a category by price point

Solution: The Inventory Comparison Report

Step 1: Under the Micro View Tab at the top of the page, select Inventory Comparison

Step 2: In the Filter Boxes, select the specific vendors you would like to see or “All”. Select the Category you would like to analyze.

Step 3: Select the Date Range.

Step 4: Select the Apply Filters Box.

The report will show you by price point, what items sold in the time frame you selected and what you currently have in stock for that price point! An item in **Green** indicates a Fast Seller that is currently in stock. **Bold Green** indicates that it is a Fast Seller and is currently OUT OF STOCK. The items listed in **Red** indicate the item is in stock and is aged.
