# BIG POS Guide GN Diamond -
for Shopkeeper Point of Sale

GN Diamond has created their vendor style numbers in such a way that each variation of a particular design is accounted for, so there is no need to customize your numbers with metal colors, gemstones, sizes, or other information.

The correct style number for **GN Diamond** is entered in the Vendor field: **D59620-04A**

Examples of incorrectly entered style numbers: **D59620/04A, D5962004A, D59620 04A, D59620**

Enter **GN Diamond** stock numbers (serial numbers) in the Part No. field. It is advised to make this a required field.
