

Armenta

Vendor Style Guide

For Lightspeed Point of Sale

Armenta has created their vendor style numbers in such a way that each variation of a particular design is accounted for, so there is no need to customize your numbers with metal colors, gemstones, sizes, or other information.

The correct style number for **Armenta** is entered in the Vendor ID field: **17893**

Examples of incorrectly entered style numbers: **17893 – SO**, **17893 (CUSTOMER NAME)**, **17893 size 8**

Armenta does not use serial numbers.

Lightspeed will auto populate any SKU that has been received before – be careful of using this as you begin to correct any previously bad entries.

Lightspeed also gives you the ability to receive your inventory as a CSV file, please contact them directly for more information.
