

## BIG POS Guide FOPE - Edge

**FOPE** has created their vendor style numbers in such a way that each variation of a particular design is accounted for, so there is no need to customize your numbers with metal colors, gemstones, sizes, or other information. Please see the attached guide for reading **FOPE's** numbers.

The correct style number for FOPE is entered in the Vendor Style # field: **73001CX\_XX\_B\_XXX\_043**

Please see below for help in reading **FOPE's** style numbers:

Examples of incorrectly entered style numbers: **73001**, **73001CX**, **S/O 73001CX\_XX\_B\_XXX\_043**, **73001CX\_XX\_B\_XXX\_043 YELLOW**

Edge will auto populate any SKU that has been received before – be careful of using this as you begin to correct any previously bad entries.

**FOPE** does not use serial numbers.
