

BIG POS Guide FOPE - Lightspeed

FOPE has created their vendor style numbers in such a way that each variation of a particular design is accounted for, so there is no need to customize your numbers with metal colors, gemstones, sizes, or other information. Please see the attached guide for reading FOPE's style numbers.

The correct style number for FOPE is entered in the Vendor ID field: **73001CX_XX_B_XXX_043**

Please see below for help in reading FOPE's style numbers:

Examples of incorrectly entered style numbers include: **73001**, **73001CX**, **S/O 73001CX_XX_B_XXX_043**, **73001CX_XX_B_XXX_043 YELLOW**

Lightspeed will auto populate any SKU that has been received before – be careful of using this as you begin to correct any previously bad entries.
