

Martin Flyer Vendor Style Guide

for Jewelmate Point of Sale

Martin Flyer has created their vendor style numbers in such a way that each variation of a particular design is accounted for, so there is no need to customize your numbers with metal colors, gemstones, sizes, or other information. Please see the attached guide for reading **Martin Flyer's** style numbers.

The correct style number for Martin Flyer is entered in the Design # field: 04-52-1357-11

Examples of incorrectly entered style numbers: 04-52-1357- 11-C, 04-52-1357-11 #43, 04-52-1357-11/06

Enter Martin Flyer's serial numbers (JID numbers) into one of 15 variation fields available in the Jewelmate software. It is advised to make this a required field.

* As of 12/15/2021: Jewelmate has a 150-character limit for entering vendor style numbers and a 30-character limit for serial numbers.
