

BIG POS Guide Martin Flyer - Lightspeed

Martin Flyer has created their vendor style numbers in such a way that each variation of a particular design is accounted for, so there is no need to customize your numbers with metal colors, gemstones, sizes, or other information.

The correct style number for **Martin Flyer** is entered in the Vendor ID field: 04-52-1357-11

Examples of incorrectly entered style numbers include: 04-52-1357- 11-C, 04-52-1357-11 #43, 04-52-1357-11/06

Lightspeed will auto populate any SKU that has been received before – be careful of using this as you begin to correct any previously bad entries.

Lightspeed recommends checking the “Serialized” box for **Martin Flyer** items with serial numbers (JID numbers) and typing the serial number under the Serial #'s field. It is advised to make this a required field.
