

BIG POS Guide iDD LUXE - Lightspeed

iDD LUXE has created their vendor style numbers in such a way that each variation of a particular design is accounted for, so there is no need to customize your numbers with metal colors, gemstones, sizes, or other information.

The correct style number for iDD LUXE is entered in the Vendor ID field: **MB004OP4**

Examples of incorrectly entered style numbers include: **MBoo4, MB004, MB004-OP4**

Lightspeed will auto populate any SKU that has been received before – be careful of using this as you begin to correct any previously bad entries.

Lightspeed recommends checking the “Serialized” box for iDD LUXE items with serial numbers and typing the serial number under the Serial #'s field. It is advised to make this a required field.
