

# Joshua J Vendor Style Guide

## for Jewelmate Point of Sale

**Joshua J** has created their vendor style numbers in such a way that each variation of a particular design is accounted for, so there is no need to customize your numbers with metal colors, gemstones, sizes, or other information. Please see the following guide for entering **Joshua J's** style numbers:

The correct **style number** for **Joshua J** is entered in the Design # field: **JSM1112**

Examples of incorrectly entered style numbers: **184926**, **JSM1112/184926**, **JSM1112-11.03**, **184926/ JSM1112**, **JSM1112184926**, **184926JSM1112**, **JSM1112 184926**

Enter **Joshua J item numbers** into one of 15 variation fields available in the Jewelmate software. It is advised to make this a required field.
